

## Machine Customization

Keiser offers numerous options to customize your equipment. With both upholstery color and frame painting options you can finally get the machine that suits your facilities needs or personal tastes. Lead time is required for most custom orders, please contact us for more information.

**Standard Upholstery Options** (roll over color for machine example)

Black

Black Cherry

Cardinal

Coastal Blue

Dark Teal

Emerald

Madder Brown

Navy

Peacock

Raspberry

Silver Ash

White

Wine

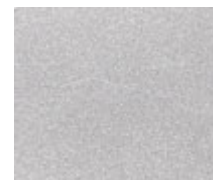

Gingersnap

Special upholstery options available on request include two tone upholstery and special colors. ( [download special colors sheet](#) )

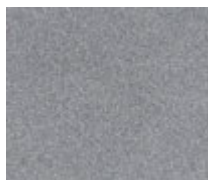

## Custom Frame Painting Options

Standard colors are available at no additional charge.

Because the web does not provide a completely accurate display, RAL color swatches can be obtained from most paint stores to view. Custom frame painting requires a minimum order amount, please contact us for additional details.

Cascade Silver  
(Standard)

Galaxy Grey  
(Standard)
